BILATERAL AGREEMENT

The agreement is aimed to:

- To exchange experiences of transnational cooperation.
- To set a common support and promotion of associations and projects at European level in the field of Education, Training, Health, Culture or social and technological Innovation.
- To foster the transnational cooperation of both entities to participate in different programs of the European Union.
- To share human resources to work on proposal focused on the mission of the organizations.
- To share project tasks equally among partners.
- To share contacts and partners in order to build up new relations and networks.
- To set up any activity or event that could foster the achievement of the objectives of both partners.
- To inform the partner about new ideas of European projects.

The parties agree on the need to work together and to join each of their human resources for the writing and presentation of projects on the following programs:

- Erasmus+.
- Horizon.
- Creative Europe.
- Others.

The parties agree to meet together every year in the month of January and define the plan of activities and the projects that they will execute and carry out together along the year.

The organizations agree to cooperate, at least, for four years, respecting the following agreement.

INNETICA and _____ will share their work program every semester, dealing and editing an Annex to be attached to this bilateral agreement.

BILATERAL AGREEMENT

Any of the signatories could interrupt the cooperation through an official communication at least two months in advance on the day the recess become effective. But, never, throughout the execution of a Project, except force majeure.

_____ authorizes INNÉTICA to use its graphic image (e.g. logo) and the references of its different Internet sites (website, social networks, etc.) as a partner of the INNÉTICA network in the communications of the Association. In reciprocity, the partner can use the references to INNÉTICA in its own communications, as a network partner.
